# Our Approach:

- Founded: June 2010 - Currently 51 members
- Broad appeal: covering all aspects of Logistics and Supply Chain.
- User-lead: active, energetic, a bit different.....
- Target membership: English-speaking professionals living/working in the Benelux (Goal = 200 by end 2012)
- Value Proposition: access to all the Institute's services eg professional development, knowledge centre, legal services, networks etc.
- For CILT (UK): strengthen link with mainland Europe

# Events 2011

- Objective: 3 events pa
- Approach
  - Find “neutral” host and central location
  - Invite host to propose a debate-style theme and nominate speakers
  - We are very willing to share events (with CILT Forums or external interestg groups) and are open to attendance by non members
  - Highly interactive and participative events, ideally including an element of doing, a demonstration and/or a tour
