Angus McKibbin – angusmckibbin@aol.com

Jonathan Seymour CMILT – jr.seymour@ulster.ac.uk

Michael Houston MILT – michael.houston@wincanton.co.uk

MESSAGE FROM THE CHAIRMAN

As members, you are the most important part of the Northern Ireland regional group.

For 2011-12, your Regional Committee have designed a draft programme of events with you in mind, which attempt to cover all of the 8 Professional Sectors. We hope you will find something in the programme that is of interest.

Our success is measured by your attendance, so please support the events that are of interest to you, not just to pick up new ideas, but more importantly to share your experience and views with like-minded individuals.

Over 30 NI members do not have an e-mail address on file. All of our local communication other than the event programme is done by e-mail, so please update your contact details via Corby, to ensure you are copied in on relevant information.

And if you wish to give something back and serve on your local committee, we would be only too glad to welcome you on board.

Hope to meet you all soon

Ken Davis

PROGRAMME 2011-12

NORTHERN IRELAND REGION

CHAIRMAN
Ken Davis FCILT

PROGRAMME

NORTHERN IRELAND REGION

2011

2011-2012

2012

Bookings for any Northern Ireland events can be made via Membership Services (unless stated otherwise) quoting the relevant code:
Tel: 01536 740104 Email: membership@ciltuk.org.uk

Registration is 30 minutes before the event start time, refreshments will be provided unless noted otherwise. All events are limited to a maximum of 20 attendees.

Tuesday 13th September 2011 12.30-15.00

Coca-Cola HBC

Location: Lissue Road, Lisburn

Coca-cola hellenic is one of the largest bottlers in the coca-cola network. In the last few years, the supply chain throughout Ireland has undergone a significant transformation, with the consolidation of all-Ireland production onto one site at Lisburn.

This has entailed significant change in the Supply Chain operation, and therefore we are delighted that CCHBC have agreed to host a site visit to show the production and distribution process.

Code: NIR030

Monday 17th October 2011 17.30-19.30

CIHT/CILT Joint lecture – Cairnryan Port

Location: David Kerr Building, QUB, Stranmillis Road, Belfast, BT9 5AG

The latest in the long-running series of joint lectures between the CILT and the CIHT (Chartered Institution of Highways and Transportation), sees the CIHT host a presentation regarding the development of the new Stena terminal at Cairnryan.

Code: NIR031

Wednesday 9th November 2011 14.00-17.00

Supply Chain Game – Young Professionals Event

Location: UUJ – Jordanstown

We all live in a fast moving society where we want everything now. Supplying this involves a supply chain, but we don't all understand what this involves.

This game aims to explain the supply chain, and in particular the relation between sales and marketing, raw material suppliers, production, logistics and the customer, by simulating the supply of a product and identifying what problems may occur and where improvements can be made. The game is very practical, and suited to an audience who like 'hands-on' participation in a fun environment. The event will be run in conjunction with UUJ at Jordanstown.

Code: NIR032

December 2011 (Full date and time to be confirmed)

Social Event (Details to follow)

Location: TBC

More details to follow

Code: NIR033

January 2012 (Full date and time to be confirmed)

NI Ambulance Service – Breakfast Meeting

Location: Belfast

The Northern Ireland Ambulance Service was established in 1995. Over 1,100 staff operate 300 ambulances from 57 stations to serve the population of Northern Ireland. This is a complicated transport operation and we hope to arrange a breakfast meeting to provide an interesting and informative update on this often over-looked service.

Code: NIR034

Thursday 23rd February 2012 19.30-01.00

Social - Annual Dinner 2011

Location: Belfast

The Annual Dinner is the social highlight of the region's year. This year's speaker is a closely guarded secret, but having secured the services of Gerald Ratner and Nick Leeson in the past 2 years, it is a certainty that the Hon. Dinner Secretary will produce the usual mix of an entertaining and informative evening. If you've been before you know what to expect and if you haven't, then you are missing out.

Code: NIR035

Thursday 8th March 2012 10:00-14:00

C4k Rail Presentation

Location: Adelaide, Belfast

Northern Ireland Railways are introducing another 20 new train sets. Known as the C4k, these trains are a development of the C3k trainsets successfully introduced recently.

The new trains will need additional maintenance facilities so the visit will entail a visit to the existing York Road depot for a presentation by the traction manager on the training requirements for staff, followed by a visit to Adelaide depot (by train), to try the train simulator and possibly review the development at the new maintenance site.

Code: NIR036

April 2012 (Full date and time to be confirmed)

Northern Ireland Assembly

Location: TBC

The Northern Ireland Assembly is now well established and it is important that members of professional bodies such as the CILT meet and influence our elected representatives. We are hoping to arrange a visit for up to 20 members to attend a briefing session at the Department for Regional Development, to include a guided tour of Parliament Buildings, and a question and answer session with the Minister.

Tuesday 26th June 2012 07.00-17.00

AGM – Visit to Cairnryan Port

Location: Belfast-Cairnryan

Stena have developed a new port for the northern link between Northern Ireland and Scotland, at Cairnryan. The opening in autumn 2011 was supported by the introduction of 2 large modern vessels on the route. Stena have kindly agreed to let us use the new facility to Host the AGM, and the visit will include a return trip to Cairnryan from Belfast on one of the new vessels (with a trip to the bridge dependent upon the ship's Master), port tour, lunch and return on the afternoon sailing. It promises to be a rewarding, if somewhat lengthy day; AGM business will by necessity be prompt due to the requirement to catch the boat home.
