Introduction

Qualification Objectives

The CILT(UK) Level 3 Certificate in Port Operations provides the Learners with the knowledge and understanding of the types and functions of ports and terminals and their management, operation and maintenance. It includes global, international and national freight movements, types of goods and vessels, port and area controls, physical and human resource requirements, consignments, unitisation and consignment monitoring. The qualification also seeks to provide Learners with a complete set of management skills.

Target Audience

The Level 3 Certificate is aimed at team leaders, supervisors or first-line managers. It is suitable for individuals working in the logistics and transport industry, or at least for those who have an awareness or understanding of the field.

This is an open access qualification, although Learners would benefit from having some prior knowledge of logistics and transport operations and an awareness of the integrated nature of supply chain activities.

Regulation

The CILT(UK) Awarding Organisation is regulated by The Office of Qualifications and Examinations Regulation (Ofqual), Qualifications Wales and CCEA Regulation. This qualification is available on the Regulated Qualifications Framework (RQF) and Qualifications in Wales (QiW) database.

Structure and Content

To achieve this qualification Learners must complete three mandatory units as detailed below:

Mandatory Units

- **M1-L3 Business Theory**

This unit gives Learners the ability to understand and use theory from such elements as: marketing and product positioning, managing information, reporting to finance and aspects of legality.

- **M2-L3 Business Application**

This unit contains a wide spread of information covering key management practices and theory across functional management through to business planning, motivation and the art of managing people.

- **O11-L3 Port Operations**

The unit examines the roles of Port and Customs authorities and how goods are moved under regulations, conventions and other general and trading agreements and the associated documentation. The unit also provides an examination of port development and planning requirements, port support and ancillaries and associated infrastructure requirements and environmental considerations.

Unit Standards

Standard documents outlining the Learning Outcomes and associated Assessment Criteria for each unit of this qualification are available on request from the Awarding Organisation on 01536 740170 or alternatively by emailing ao@ciltuk.org.uk.

Total Qualification Time (TQT)

Total Qualification Time (TQT) is defined as the number of notional hours which represents an estimate of the total amount of time that could reasonably be expected to be required in order for a Learner to achieve and demonstrate the achievement of the level of attainment necessary for the award of a qualification. TQT is comprised of the following two elements:

- The number of hours which an Awarding Organisation has assigned to a qualification for Guided Learning; and
- An estimate of the number of hours a Learner will reasonably be likely to spend in preparation, study or any other form of participation in education or training, including assessment, which takes place as directed by - but not under the Immediate Guidance or Supervision of - a Lecturer, Supervisor, Tutor or other appropriate provider of education or training.

Total Unit Time (TUT) is defined as the number of notional hours which represents an estimate of the total amount of time that could reasonably be expected to be required, in order for a Learner to achieve and demonstrate the achievement of the level of attainment necessary for the award of a unit.

Guided Learning Hours (GLH) is defined as the activity of a Learner in being taught or instructed by - or otherwise participating in education or training under the Immediate Guidance or Supervision of - a lecturer, supervisor, tutor or other appropriate provider of education or training.

Immediate Guidance or Supervision is defined as the guidance or supervision provided to a Learner by a lecturer, supervisor, tutor or other appropriate provider of education or training with the simultaneous physical presence of the Learner and that person, or remotely by means of simultaneous electronic communication.

The Total Unit Time is 89 hours, including 19 Guided Learning Hours.

The Total Qualification Time for this qualification is 267 hours, including 57 Guided Learning Hours.

Study Options

This qualification is delivered by a network of Centres, and is available to study by a variety of routes, including: distance learning, classroom taught courses and blended learning.

For more information on the study options available please contact the Awarding Organisation on ao@ciltuk.org.uk or alternatively, visit the CILT(UK) web site at www.ciltuk.org.uk for a list of Centres.

Assessment

This qualification offers flexible assessment opportunities depending on the Learner's prior experience and future aspirations. Learners may select to study by the Institute Assessment Route (IAR) or the Centre Assessment Route (CAR). Further information on each of these assessment routes is detailed below.

Institute Assessment Route

The Institute Assessment Route (Knowledge Route) requires Learners to pass examinations and/or assignments that are set, marked and moderated by the Awarding Organisation.

Full details on the IAR for this qualification are detailed below:

Learners must sit and pass a total of two examinations, one in each of the following units:

- M1-L3 Business Theory
- M2-L3 Business Application.

Each examination is 2½ hours' duration and is in two parts.

Part A consists of 25 questions, each requiring an answer in the form of short sentences, or a simple calculation.

Part B requires Learners to answer 2 out of 3 questions, each requiring a longer answer in the form of an essay or a lengthier calculation.

Each examination is weighted 40% for Part A and 60% for Part B.

The overall pass mark for the examination is 50%.

For the unit O11-L3 Learners must complete two assignments, each made up of 1,500 words.

Each assignment is worth 50% of the total marks available for each unit.

The overall pass mark for each assignment is 50%.

Each assignment will be assessed as either a PASS (50% or over) or REFER (49% or below) grade. If the Learner has received a refer grade, then following the necessary amendments and revisions, the assignment can be re-submitted for assessment.

Centre Assessment Route

The Centre Assessment Route requires Learners to complete assessment that is designed, assessed and internally verified by the Centre; which is approved by the Awarding Organisation. As such, assessment methods will vary from Centre to Centre; however, to achieve this qualification Learners must provide evidence that successfully demonstrates achievement of all of the learning outcomes and associated assessment criteria for the mandatory units. For further details on the CAR, Learners should contact their chosen Centre.

Grading Type

This qualification is not graded. All examinations are pass/fail and assignments are also pass/fail, but may be referred as previously stated in the Institute Assessment Route section.

Learner Enrolment

Enrolment Period

The enrolment period for this qualification is two years, which is the period in which a Learner is expected to complete the qualification.

Enrolment Extensions

At the end of the enrolment period all Learners will be withdrawn from the relevant qualification. However, if an extension is required, Centres must contact the Awarding Organisation to request this. Extensions may be granted on a three-month basis and will be granted up to a maximum of eighteen months. If after this period a Learner has not completed, but wishes to continue, then the Centre will have to enrol the Learner again as detailed above.
